

Section VI: Employee Conduct

Subject: Code of Conduct

POLICY PURPOSE STATEMENT

This policy section sets forth standards of integrity, ethics and principles of public service and establishes work and employee conduct rules for employees.

POLICY GUIDELINES AND PROCEDURES

1. **Professionalism.** Lehi City is a professional association whose purpose, among others, is to provide professional services to its citizens. Its employees must adhere to high standards of public service that emphasize professionalism, courtesy, and avoidance of even the appearance of illegal or unethical conduct. Employees are required to efficiently carry out the work items assigned as their responsibility, to maintain good moral conduct, and to do their part in maintaining good relationships with their supervisors and fellow employees, the public, and other employees and officials.
2. **Privileged Information.** Lehi City employees involved with information of significant public interest may not use this privileged information for personal gain, nor to benefit friends or acquaintances. If an employee has an outside interest that could be affected by any Lehi City plan or activity, this situation must be reported to the City Administrator immediately. Each employee is charged with the responsibility of ensuring that only information that should be made available to the general public is released as defined in the Government Records Access and Management Act.
3. **Confidentiality.** Fellow employees have an unquestionable right to expect all personal information about themselves, their illness, their family and financial circumstances to be kept confidential. Every employee has an obligation to protect this confidence. Never discuss privileged information with others who are not authorized to receive it, either inside or outside the office.
4. **Gifts and Gratuities.** Lehi City employees will not accept gifts or gratuities except under circumstances allowed by the Utah Municipal Officers' and Employees' Ethics Act (10-31301 et al) , which allows an occasional nonpecuniary gift, having a value of not in excess of \$50. This paragraph should not be used to prevent the legitimate pursuit of contributions in support of various City programs by City Officials.
5. **Attendance.** Regular attendance and punctuality are essential to providing high quality work, service to customers, and to avoid extra work for fellow employees. Therefore, employees shall be in attendance at their work stations during normal working hours. When the employee is going to be late or will not be able to report to work, the employee must notify his/her Supervisor prior to the scheduled work time. If the employee is ill or has

an emergency, he/she should notify a Supervisor (immediate Supervisor preferred) as soon as possible on each day of absence.

6. Appearance. The City reserves the right to expect its employees to present a favorable impression during any contact with the public. All employees are expected to maintain a neat and clean personal appearance. Standards of dress shall be appropriate to the job and the tasks to be accomplished.

7. Non-Fraternization. This policy provides guidelines and definitions to follow regarding relationships in the workplace. Employees should avoid situations where a conflict of interest may arise or where workplace relationships may result in claims of favoritism or harassment.

Policy:
