Pre-Team and Team Information

STARZ Pre-Team

Pre-Team gymnasts learn skills and routines at a quicker pace. These classes are set up to prepare gymnasts for the Xcel team. The team environment is designed to bring out the best of each child while still maintaining the element of fun. We teach the athletes how to get the most out of their gymnastics ability and to build life skills. The team gymnasts participate in a goal setting program that teaches mental toughness for sport and life. Placement is by coach invitation. There is also an open Try-out for Starz held annually in April.

Girls Program

Girls Level 3 - classes will focus on more advanced fundamentals with emphasis on form and technique. Students will also complete flexibility and strengthening exercises for the conditioning required to complete skills safely. These classes must have a placement evaluation or coach recommendation and a transfer form is needed to register.

This class is for girls that choose not to follow the team path.

Xcel Program - is designed to offer a competitive experience outside of the traditional junior Olympic Program. Xcel is a great program for gymnasts that have a variety of abilities, ages and commitment levels and want to enjoy all the benefits that gymnastics has to offer while having more flexibility than the Junior Olympic program. As girls progress in the Xcel program, they can compete individualized skills and routines.

Xcel Levels:

- Bronze
- Silver
- Gold
- Platinum

Boys Team Program

Our Competitive Boys team program puts an emphasis on discipline, perseverance, mental awareness, and team unity. Our team coaches are passionate about their role in guiding gymnasts through training and helping them develop into strong, disciplined athletes both mentally and physically.

Competitive Boys Team Levels:

- Advanced Level 1 (on recreation flyer)
- Boys Level 2
- Boys Level 3 - 5
