ADAPTIVE BASKETBALL

This program is modified to meet the needs of athletes with disabilities. They will have the opportunity to practice their basketball skills and participate in an area and state tournament. The class provides an opportunity to develop not only athletic skills to play the game of basketball but also teaches fair play and healthy competition.

Athletes will look forward to the friendship and fun that is fostered in this class. Athletes must be 12 years of age to participate in this class. Supervision of individual athletes may be required. Participation in this class requires a medical form signed by a physician and notarized. A JFK athletics Medical Release form must also be signed by a parent/guardian. All forms can be found by scanning the QR code below or online at <https://www.lehi-ut.gov/legacy-center/adaptive-programs>
 Register soon, space is limited.

There is a mandatory parents meeting on **January 6** during the first 20 minutes of the practice.
